## **Anne Sheehan- Enterprise Director**

Anne Sheehan joined Vodafone Ireland, the country's leading total communications provider in September 2013. As Enterprise Director, Anne has responsibility for Vodafone's Enterprise division which includes overseeing Vodafone's integrated next-generation fixed and mobile solutions in addition to its cloud-based platforms, machine to machine services and professional ICT support.

On joining Vodafone, Anne brought with her 16 years of experience in the ICT industry from IBM where she held the role of Vice President of Sales for the Nordic Region. Prior to this, she was the Sales Director for IBM Ireland and also held a variety of senior positions including Head of Channel, Head of Services and Territory leader.

One of 2012's top 25 women in business, Anne frequently speaks at industry events such as the Dublin and Cork Chamber events, Centre of Women in Technology (CWIT), WXN Leadership Summit and Business & Finance Awards. She also plays a pivotal role within Vodafone's Women's Network Community.

As Enterprise Director, Anne was integral to Vodafone receiving Cisco Gold and Avaya Platinum accreditation to provide Unified Communications solutions to enterprise, has propelled our journey into Cloud and Hosting with the opening of our first Data Centre in Clonsaugh and in partnership with EMC has developed the first IIC approved Internet of Things (IoT) test bed in Europe.

A native of Clare, Anne holds a Degree in Business Studies, specialising in Accounting and Finance, and a Graduate Diploma in Computers, both from the University of Limerick.
