AMERICAN
CHAMBER of COMMERCE
IRELAND

There are over **1000** innovative US operations in Ireland having a global impact. They directly employ **245,000** people and indirectly support **175,000** jobs in our economy.

We are honoured to represent them.

Contact our Director of Partnerships

"I would love to speak with you to discuss AmCham member services and benefits, what value AmCham can bring to you and your team, how we can work together, and to ensure AmCham membership is right for you."

Tara Keane
t.keane@amcham.ie

Who we are

The American Chamber of Commerce Ireland (AmCham) is the collective voice of US companies throughout Ireland and the leading international business organisation supporting the transatlantic business relationship.

Our members are the Irish operations of all the major US companies in every sector present here, Irish companies with operations in the United States and organisations with close linkages to US-Ireland trade and investment.

We are recognised by our members and stakeholders as a highly effective organisation that yields unique, tangible value.

There are three key pillars to our work on behalf of AmCham members:

- **Advocacy with Purpose**
- **Connecting / Networking with Purpose**
- **Leadership Development with Purpose**

A word from AmCham's CEO

"We would be delighted to have you join our fantastic membership. In AmCham, we are committed to ensuring we represent you and advocate effectively on your behalf to support your operations and further strengthen the US-Ireland transatlantic relationship. We are committed to providing you with peer-to-peer sharing and leadership development opportunities that will bring immense value to you, your team, and your organisation." - **Paul Sweetman**

Advocacy with Purpose

AmCham membership gives companies a powerful voice as part of what is recognised as one of the most influential business groups in the country. We are recognised as a trusted, credible and authoritative voice at the most senior level with Government and decision makers in Ireland, Brussels and Washington DC.

Our advocacy is supported by member groups including:

- Networks for individuals working in **Government Affairs; Taxation; and Customs, Trade & Compliance.**
- Taskforces focused on **Infrastructure, Sustainability & Energy; Research, Development & Innovation; Talent & Skills; and Taxation.**

AmCham also actively supports members on advocacy in the areas of **digital, data, cyber security and AI**, with a strong emphasis on enhancing Ireland's **competitiveness** as an investment location on the global stage.

Submissions & White Papers

You can read AmCham's submissions to Government, including AmCham's proactive White Papers [here](#).

Connecting/Networking with Purpose

Through our virtual/attended events, webinars, and roundtable discussions our networks support deep collaboration and peer-to-peer learning in a trusted environment. Through AmCham, our members get to have meaningful, value-creating interactions with their peers. We use best in class technology to ensure that our members can get a first-class networking experience.

Our networks include:

- **Customs, Trade & Compliance Network**
- **Emerging FDI Network**
- **Executive Assistants Network**
- **Global Strategic Services Network**
- **Government Affairs Network**
- **General Counsel Forum**
- **HR Leadership Network**
- **Learning & Development Forum**
- **Taxation Network**
- **Workplace Experience Network**

Connect with our networks

You can find further information on AmCham's networks and peer-to-peer forums [here](#).

Leadership Development with Purpose

Our leadership development programmes support individual growth within our member companies. These highly sought-after programmes are held in-person.

Emerging Leaders Development Programme

Open to emerging talent within our member companies, this programme is designed to build core leadership skills in the next generation of leaders, while also expanding participants' professional network. The six modular programme concludes with the flagship three-day 'AmCham Hackathon'.

Women in Global Organisations Peer Mentoring Programme

Designed for senior female leaders, this programme is designed to advance leadership skills in a safe, trusted environment. Across the six-modules, participants could explore practices, share insights, compare experiences, gather new perspectives and try out ideas with an exceptional group of peers.

Mandate Leader Masterclass Programme

This is a bespoke programme specifically designed to support those in leadership roles in the multinational sector in Ireland. Designed around six case studies, this programme equips participants with the tools they need to strategically take their organisations to the next level.

Participant experience

"...one of my most fulfilling, energised and educative experiences to date!"

You can find further information on AmCham's Leadership Development Programmes [here](#).

Our Communications Tools

We provide trusted and reliable information to our members through our communications tools which are focused on supporting our members in their work, their communications, and on highlights the fantastic work they do. Our communications supports include:

Daily Media | Our daily update (every Monday-Friday) of the key news headlines, relevant to the FDI community, in domestic and international news.

FDI Focus | Our weekly (every Friday) advocacy e-zine provides the latest news impacting the FDI community.

FDI Insights | Our quarterly leadership survey to support advocacy on behalf of our members and provide information on the current sentiments of the FDI community.

AmCham Spotlight | Our fortnightly membership update (every second Wednesday) provides updates on member news and upcoming AmCham events and programmes.

US-Ireland Business Report | This is the definitive guide to the transatlantic business relationship and an important international resource on Ireland's credentials as a US investment destination. This publication is launched in March. Read our 2025 Report [here](#).

FDI Insights Survey

4
in
5

respondents said their corporate headquarters have a positive view of Ireland as an investment or growth location, based on the experience of their Irish operations this year.

88%

of respondents said that Ireland's education and training system is effective in preparing the workforce for future skills needs.

Other Supports

Leadership Supports

We hold regular roundtable dialogues among CEO/Site leaders. These are excellent opportunities for leaders to feed into our advocacy agenda while also providing an exclusive networking opportunity for senior leaders (*by invitation only*).

AmCham's leadership team are also available to provide leadership briefings and support engagement with visiting leaders from your organisation.

US Outreach & International Partnerships

AmCham travels to Washington D.C. to engage with US stakeholders, represent members and support the US-Ireland two-way trade and investment relationship, particularly with the US Department of Commerce, the US Department of State, the US Trade Representative, and our partners in the US Chamber with whom we work closely.

AmCham also sits in a network of AmCham's across Europe, and works closely with AmCham EU to share knowledge and ensure we can best represent our members in Ireland and in relation to EU and US policy changes,

Our member portal

You can use AmCham's member portal to **register** for events and programmes, **join** AmCham networks, **view** company engagement, **manage** invoicing and payments and **keep up-to-date** with the latest developments.

Sponsorship Opportunities

We provide a number of sponsorship opportunities for our conferences, dinners, events, e-zines, programmes and in our flagship US-Ireland Business Report. Each of our sponsors receives first refusal on their sponsored activity. However, AmCham would be delighted to discuss sponsorship opportunities with you to ensure you have the opportunity to be involved with our key activities when opportunities become available.
